

Redmine - Defect #12179

Impossible to set due date with dot

2012-10-22 13:12 - Paps 1

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	2.1.2
Resolution:	Duplicate		
Description			
<p>Hello,</p> <p>Since 2.1.2, it is impossible to set a due date using 22.10.2012. However, it displays like this following ur global settings once the issue is created.</p> <p>However, when we are creating an issue, Redmine requests that we use 22-10-2012 format.</p> <p>The problem is that in Switzerland at least, we never format a date with - so when a user enter a new issue, he has to adapt to a new input format.</p> <p>Is there anyone else that is experiencing this problem ?</p> <p>Thanks</p> <p>Paps</p>

History

#1 - 2012-11-18 11:06 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Duplicate

Similar to #668. For now, Redmine accepts YYYY-MM-DD date format only.
