<b>Description</b> It will be very useful to have an option to have Comment field required Especially for billing, - it hard for sell time if no description available. <a href="#">RedmineTimeTracking</a>

It'd be a nice option, but I'm pretty sure it would break updating issues from the right click context menu. I suppose enabling it could cause the context menu to load the bulk edit view instead, with the focus preset to the comment field. There may be more complications, though.

The option to have mandatory comments would be a great improvement!

**#7 - 2016-08-10 15:23 - Toshi MARUYAMA**

- Description updated

**#8 - 2016-12-11 02:15 - Marius BĂLTEANU**

I've added a patch in [#24577](#) which implements this.

**#9 - 2016-12-11 03:21 - Go MAEDA**

- Is duplicate of Feature #24577: Settings to make the issue and/or comment fields mandatory for time logs added

**#10 - 2016-12-11 03:22 - Go MAEDA**

- Status changed from New to Closed

- Resolution set to Duplicate

A patch to implement this feature was submitted as [#24577](#).  
Closing this issue.
