Redmine - Feature #12456

Add units in history for estimated time

2012-11-27 13:39 - Artur Ladka

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Time tracking		**Estimated time:**	0.00 hour
Target version:	3.3.0			
Resolution:	Fixed			

Description

When estimated time is set as issue update, in issue information time is displayed with unit (e.g. Estimated time: 16.00 hours), while in history there is only

```
Estimated time set to 16.00
```

Same problem is found on PDF generated from issue.
I understand that there is no other units in Redmine, but for someone who is viewing history it can be confusing and I think that also in this place units should be displayed/printed.

Associated revisions

Revision 15143 - 2016-01-31 12:20 - Jean-Philippe Lang

Adds units in history for estimated time (#12456).

Patch by Go MAEDA.

History

#1 - 2012-11-28 11:47 - Jean-Philippe Lang

- Tracker changed from Defect to Feature

- Subject changed from No units in history for estimated time to Add units in history for estimated time

#2 - 2013-11-05 16:28 - Etienne Massip

- Target version set to Candidate for next major release

#3 - 2016-01-19 12:45 - Go MAEDA

- File screenshot.png added

- File feature-12456.diff added

I wrote a patch to implement this issue: feature-12456.diff
