Target version:			
Resolution:		**Affected version:**	

Description
It appears that when news items are emailed out as updates that they are not parsed for Textile. The raw content is sent out. This should be parsed and sent out all pretty like issues are.

History

#1 - 2007-10-12 13:23 - Jean-Philippe Lang

Fixed in r833.
News notification are now sent with plain text and html parts
(as issues notifications).
