Redmine - Defect #12616

Macros in sidebar do not show correct information.

2012-12-17 16:04 - Miodrag Milic

Status:	New	**Start date:**

Target version:			
Resolution:		**Affected version:**	2.1.2

Description

If, in the sidebar I have for instance:

```
{{lastupdated_at}}:  {{lastupdated_by}}   <-- wiki extensions plugin
{{child_pages}} <-- redmine
```

then sidebar lists macro results on itself (when the sidebar is updated, its own child pages) instead of wiki page that hosts it.

This prevents modularised approach to project documentation.
