

Redmine - Feature #12726

Display the associated revisions with a given issue even if the project doesn't have a dedicated repository

If I understand correctly, this was fixed some time ago. Which version are you using?

#2 - 2013-01-04 12:00 - Rui Gonçalves

I'm using Redmine 1.3.2.stable (MySQL)

#3 - 2013-01-04 12:05 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Duplicate

I confirm the problem exists in 1.3.2 but was fixed in 1.4.0.
