Description

Hi,

the PDF-Export is unclear with a higher rate of export months (example: 24 Months).
See attachment for an example.

My suggestion:
It would be good to handle those export like the export with a few monts.

Instead of:

2012/01	2012/02	2012/03	2012/04	..

Generate this:

2012					2013				
01	02	03	04	..	01	02	03	04	..

Best regards,
Daniel
