

Redmine - Patch #12738

Patch for negative start_date (#12736)

2013-01-04 15:52 - Daniel Felix

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues planning	Estimated time:	0.00 hour
Target version:			
<div>Description</div> <div>Patch for #12736.</div> <div>Some remarks:</div> <div>There is a conversion to int. This means, every date which is bevor 1970 is invalid, but this should be ok in my opinion.</div> <div>Best regards,</div> <div>Daniel</div>			

History

#1 - 2013-01-05 17:11 - Jean-Philippe Lang

- Status changed from New to Closed

There was already another approach for validating Version#effective_date. I've added a date validator in [r11124](#) that implements the validation for all dates.

#2 - 2013-01-06 14:17 - Toshi MARUYAMA

- Target version deleted (2.2.1)
