**Description**

It's dead simple, and probably more easily conveyed by the following patch:

```

History

#1 - 2010-07-07 14:03 - Holger Just

- Status changed from New to Closed
- % Done changed from 0 to 100
- Resolution set to Fixed

This is implemented in current versions of Redmine.  
Also, the patch does not apply anymore as the code basis changed significantly.
