

Redmine - Feature #12869

Notificaion if ticket-creation failed

2013-01-16 15:50 - Felix Muster

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Email receiving	Estimated time: 0.00 hour
Target version: Candidate for next major release	
Resolution:	
Description	
<p>when I create a Ticket via Mail, I have to write all fields like project or tracker down, if i don't, ticket creation will fail. but I don't know if it's failed, only by checking in redmine.</p> <p>is it possible to implement a way to notificcate the user when its ticket wasn't created?</p>
