When calculating the total time spent on the task, there is a bug in the week number (2012-1 instead of 2013-1).
Because of this incorrect calculated the total execution time.

#3 - 2013-01-18 05:56 - Alexey Verin

This is the version 2.2.1

Hi Alexey,

as I could see, this seems to relate to the same bug as in #5329, right?
