Redmine - Feature #1296

Allow trackers to hide issue fields

2008-05-25 13:26 - Guillaume Tardif

Status:	Closed	**Start date:**	2008-05-25
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			
Resolution:	Duplicate		

Description
Some of the standard issue fields might not be useful in all situations. In addition to adding custom fields to issues, it would be great to have the possibility to define trackers where some standard fields (start/due date, estimated time, %Done, category) are completely hidden.

Feature [#1296](), Feature [#3154]() and forum topic http://www.redmine.org/boards/2/topics/3344
all talk of the same requirement. Somethings needs to be done.

Thanks for this research. I've made [#3154]() a(nother) duplicate of this oldest issue and suggest to further discuss this feature here. This way we keep all info in one place from which it eventually can be implemented.

- Category deleted (Administration)

- Status changed from New to Closed

- Resolution set to Duplicate

Closed the issue since it duplicates issue [#1091]().
