

Redmine - Defect #1297

Roadmap version list links not carrying state

2008-05-26 01:27 - Anonymous

Status:	Closed	Start date:	2008-05-26
Priority:	Low	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	0.7.2	Affected version:	
Resolution:	Fixed		

Description

On the roadmap page, the version links listed on the right-hand side bar do not carry the page state when selected. For example, disable all trackers except one, select "Show completed versions" and then click "apply". Selecting any version from the results list refreshes the page and loses the the selected states. This is mostly a problem when you select a completed version, only to have the page refresh and for that version to no longer be showing :)

(on a side note - we **need** to automatically convert ":-)" to little happy face graphics. Very important!!)

The easiest solution would be to only render the anchor part of the URL and avoid the page refresh altogether.

Associated revisions

Revision 1462 - 2008-05-26 21:12 - Jean-Philippe Lang

Fixed roadmap links to versions (#1297).

History

#1 - 2008-05-26 01:29 - Anonymous

Hrrmm... I think I stuffed up the textile mark up when I put a smiley face in double quotes.

The parenthesised text should read

to little happy face graphics. Very important!!)

#2 - 2008-05-26 21:13 - Jean-Philippe Lang

- Category set to UI

- Status changed from New to Closed

- Target version set to 0.7.2

- Resolution set to Fixed

Fixed in [r1462](#). Links now contain anchors only.

I think I stuffed up the textile mark up when I put a smiley face in double quotes

Yes, it's turned into a link. I'll have a look at this problem.

Concerning smileys, you can fill a feature request :-)
