

## Redmine - Feature #12982

### Add status 'active' to versions

2013-01-25 12:49 - Fred Leeflang

<b>Status:</b> New	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Roadmap	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	
<b>Description</b> I would like to have an 'active' status to a version next to 'open' 'locked' and 'closed'.  When a project is in an 'active' status, only trackers of a particular kind should be added.  This facilitates having a version 'live' and only allow bugfixes to be added to that version, while feature requests will be channeled to versions in 'open' status.
