Redmine - Feature #13067

Allow custom queries to be sorted ASC by issue

2013-02-03 13:31 - Jan Niggemann (redmine.org team member)

Status:	Closed		**Start date:**	
Priority:	Low		**Due date:**

Target version:				
Resolution:	Fixed			

Description
At the moment it's not possible to choose the issue id as a ASC sort field in custom queries, so that oldest issues are always on top, see Default Issue # Ordering

Actually this is available in Redmine 3.3 when you save custom query, however what's missing is default sorting, and default query.

#3 - 2017-11-04 08:14 - Toshi MARUYAMA

- *Description updated*

#4 - 2021-06-27 03:59 - Go MAEDA

- *File default-sort.png added*

- *Status changed from New to Closed*

- *Resolution set to Fixed*
