

Redmine - Feature #13141

Allow subtasks to cross projects in Gantt View

2013-02-12 15:01 - Erica Gallindo

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Gantt	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
Like reported on #5487 , we would like to have subtasks that belong to other projects available in Gantt View. Is is already possible?
