Could you attach the **daily** spent time report from 2013?

Days for 2013 equal 64.50 hours

Yes, :-) but I mean the daily spent time report. How much on 2013-01-01, 2013-01-02, 2013-01-03, ... You already chose year, month and week in the selection field in the report view. Could you choose "day"? May you have to take more than one screenshot to get all days on picture.
It would be really important to fix this problem! Thank you.
