

Redmine - Defect #13208

Ticket Filter and Edit Preview not working

2013-02-18 13:56 - Erik Dannenberg

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	2.2.3
Resolution:	Invalid		
Description			
<p>After upgrading from 1.2.2 -> 2.2.3 there seems to be some kind of ui problem. The default Ticket Filter is active but on the Frontend nothing is displayed in the Filter section. Trying to add a new Filter gives no results either (nothing happens). Same for Edit Previews of all kind (tickets, wiki, etc). The Thin and Redmine logs look clean, everything else is working as expected.</p> <p>About your application's environment</p> <p>Ruby version 1.9.3 (x86_64-linux)</p> <p>RubyGems version 1.8.24</p> <p>Rack version 1.4</p> <p>Rails version 3.2.12</p> <p>Active Record version 3.2.12</p> <p>Action Pack version 3.2.12</p> <p>Active Resource version 3.2.12</p> <p>Action Mailer version 3.2.12</p> <p>Active Support version 3.2.12</p> <p>Middleware Rack::Cache, ActionDispatch::Static, Rack::Lock, #<ActiveSupport::Cache::Strategy::LocalCache::Middleware:0x0000000321f748>, Rack::Runtime, Rack::MethodOverride, ActionDispatch::RequestId, Rails::Rack::Logger, ActionDispatch::ShowExceptions, ActionDispatch::DebugExceptions, ActionDispatch::RemoteIp, ActionDispatch::Callbacks, ActiveRecord::ConnectionAdapters::ConnectionManagement, ActiveRecord::QueryCache, ActionDispatch::Cookies, ActionDispatch::Session::CookieStore, ActionDispatch::Flash, ActionDispatch::ParamsParser, ActionDispatch::Head, Rack::ConditionalGet, Rack::ETag, ActionDispatch::BestStandardsSupport, OpenIdAuthentication</p> <p>Application root /opt/redmine-2.2.3</p> <p>Environment production</p> <p>Database adapter mysql2</p> <p>Database schema version 20121026003537</p>

Plugins?

#2 - 2013-02-18 16:28 - Erik Dannenberg

redmine_assets_plugin
redmine_knowledgebase
redmine_screenshot_paste

(latest version for all plugins)

#3 - 2013-02-18 17:36 - Erik Dannenberg

- Status changed from New to Resolved

No idea what caused this issue, but rebooting the vm redmine runs in resolved the issue.

#4 - 2013-02-18 18:02 - Jan Niggemann (redmine.org team member)

- Resolution set to Invalid

#5 - 2013-02-18 18:02 - Jan Niggemann (redmine.org team member)

- Status changed from Resolved to Closed
