Redmine - Feature #1329

Search for a file within the repository

2008-05-30 13:58 - gabriel scolan

Status:	Closed	**Start date:**	2008-05-30
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	SCM	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Duplicate		

Description

It could be very useful to add the possibility under the repository tab to search for a specific file (using regexp for example) within the directory, especially when the repository becomes wide and the user is not supposed to dump the repository nor to know the command line to search for an element within the repository.

Is duplicate of Redmine - Feature #3082: Repository Search	**New**	**2009-03-31**

History

#1 - 2011-12-08 02:20 - Mischa The Evil

- Status changed from New to Closed

- Resolution set to Duplicate

Closing in favor of more generic #3082, which supersedes this issue (indicated by a duplicate relation/resolution in shortage of something better).
