

## Redmine - Feature #13299

### Autochange assignee depending on status change

2013-02-26 21:22 - Pavel Lautsevich

<b>Status:</b> Closed	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Issues workflow	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b> Duplicate	
<b>Description</b> It would be great to create a dependency between fields "Status" and "Assigned To". For example, when the task status is changed from "A" to "B", changing its assignee.  This useful function has Jira. It's very necessary in Redmine, i think.  Previously requested from another person at <a href="#">#6908</a> .
