Target version:			
Resolution:	Duplicate		
Description			
My suggestion for custom field for issues: In addition to the option "required", we need a option "required before closed"			
Related issues:			
Is duplicate of Redmine - Feature #703: Configurable required fields per trac...		Closed	2008-02-21

Without testing: can't the solution implemented for [#703#note-53](#) provide the requested result?

#2 - 2013-03-03 12:09 - Filou Centrinov

- Status changed from New to Resolved

Thank you! That's what I need.

#3 - 2013-03-07 03:04 - Mischa The Evil

- Subject changed from Custom field option for issues: "required before closed to Custom field option for issues: "required before closed"
- Status changed from Resolved to Closed
- Resolution set to Duplicate

Thanks for the feedback.
