

Redmine - Defect #13393

Roadmap showing trackers and issues not selected to be displayed

2013-03-07 17:21 - Gabriel Santos

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	High	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Roadmap	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	2.2.1
<b>Resolution:</b>			
<b>Description</b>			
<p>The sidebar on the right of the roadmap is showing trackers that are configured not to be displayed.</p> <p>I believe this is not the correct behavior as one can read on: <a href="http://www.redmine.org/projects/redmine/wiki/RedmineRoadmap">http://www.redmine.org/projects/redmine/wiki/RedmineRoadmap</a> ("sidebar") "(which trackers are shown here with checkboxes depends on the individual tracker-configuration)"</p> <p>Checking/unchecking the "Issues displayed in roadmap" checkbox, inside a tracker configuration, is only affecting the way the checkboxes appear checked/unchecked on the roadmap sidebar by default, but all the trackers are shown there.</p> <p>Environment: ruby 1.8.7 (2011-06-30 patchlevel 352) [x86_64-linux] Rails 3.2.11 mysql Ver 14.14 Distrib 5.1.66, for redhat-linux-gnu (x86_64) using readline 5.1</p>
