- Assignee set to Marius BĂLTEANU
- Target version set to 6.1.0

A patch has been posted in [#13244](#).

#9 - 2024-12-11 20:58 - Marius BĂLTEANU

- File 0001-Adds-setting-to-allow-timelog-on-closed-issues.patch added

Attached a new patch based on the work made by Jens in [#13244](#).

#10 - 2025-03-30 09:52 - Marius BĂLTEANU

- Subject changed from Allow time logging only for open issues to Add setting to allow/deny time logging on closed issues
- Status changed from New to Resolved
- Resolution set to Fixed

Setting added in [r23586](#), you can now configure the desired behaviour.

#11 - 2025-03-30 11:31 - Marius BĂLTEANU

- Status changed from Resolved to Closed

All tests pass now.

#12 - 2025-03-30 12:25 - Holger Just

- Status changed from Closed to Reopened

Thank you Marius.

On doubt though: in the issue.rb patch in [r23586](#), you refer to Setting.timelog_accept_future_dates?. Shouldn't this refer to Setting.timelog_accept_closed_issues? with a different boolean negation instead, i.e.

```
# Returns true if user or current user is allowed to log time on the issue
def time_loggable?(user=User.current)
  user.allowed_to?(:log_time, project) && (Setting.timelog_accept_closed_issues? || !closed?)
end
```

[...]

Yes, I saw that mistake right after I've committed the change and a test started to failed. The problem is already fixed in [r23589](#).

#14 - 2025-03-30 12:51 - Holger Just

- Status changed from Reopened to Closed

I see, thanks. Sorry that I missed that.

#15 - 2025-03-30 12:51 - Marius BĂLTEANU
