this comments

Thanks for your reply.

Is there any plugin so that we can install plugin to modify?

Actually , we want to add note on comment as picture .

Thus ,when I move mouse to the comment , I can see the new note I add on Gantt.

So I don't click issue again to check all comment.

##### #3 - 2013-03-29 09:11 - Etienne Massip

- Subject changed from *Add comment on Gantt* to *Allow displaying custom field value in Gantt issue quick information tooltip*

- Category set to *Gantt*

- Priority changed from *Urgent* to *Normal*

##### #4 - 2013-03-29 09:11 - Etienne Massip

- File *deleted (performance.txt)*
