

Redmine - Patch #13629

Add 'method' option for submitPreview() js

2013-03-28 15:05 - Alex Shulgin

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
The submitPreview() JavaScript function uses 'POST' HTTP method by default. Make this configurable via options to preview_link helper.

What for?

Actually, nevermind. I've had to use a GET method in one of the plugins because POST route didn't work (I don't recall all the details right now,) but now that I check again, it seems to works with POST.

Sorry for the noise.
