

Redmine - Feature #13693

Possibility to search in time log comments

2013-04-05 11:17 - Alexander Bagiev

Status:	Closed	Start date:

Category:	Search engine	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description Redmine has possibility to search in notes of "Issue tracking" module. But there is no similar possibility to search in comments of "Time tracking" module. I would be great if search page had "Time log" checkbox next to "Issue".			
Related issues: Is duplicate of Redmine - Feature #4138: Add spent time comments in search <div>Needs feedback2009-10-29</div>
