

## Redmine - Feature #13694

### extend information overlays for issues that are shown on gantt chart

2013-04-05 13:16 - Anonymous

<b>Status:</b> New	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Gantt	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	
<b>Description</b>	
<p>When viewing the gantt charts the planned begin and end dates are shown as a bar and the overlay shows some information about the task as mousOver effect.</p> <p>One information that is really important in this view is the time in hours that was estimated for an issue.</p> <p>Maybe you can add the "estimated time" to this overlay?</p>	

#### History

For my project, I need to show category information.

So it will be very usefull if we can choose which information we want to be shown on the gantt screen to please everybody.
