

Redmine - Defect #137

Bulk edit not working in some circumstances

2007-10-22 22:21 - Nick Read

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:			
Description			
<p>Hi,</p> <p>Bulk editing issues does not work if some of the parts are left as "(no change)". For example, the stacktrace at the end of this message occurs when the priority is left as "(no change)" (running under Postgresql 8.2 by the way). Also, it appears as though the form is submitting the actual value "(No change)" for "assigned_to_id" rather than empty string or null.</p> <p>-----8<-----</p> <p>Processing ProjectsController#bulk_edit_issues (for 192.168.1.217 at 2007-10-23 13:20:34) [POST] Session ID: ea3e7933d33757439deab94650b7339a Parameters: {"start_date"=>"" , "commit"=>"Apply", "action"=>"bulk_edit_issues", "priority_id"=>"" , "id"=>"1" , "notes"=>"" , "controller"=>"projects", "fixed_version_id"=>"" , "category_id"=>"" , "issue_ids"=>["376"] , "done_ratio"=>"" , "due_date"=>"" , "assigned_to_id"=>"(No change)" , "status_id"=>"12"}</p> <p>ActiveRecord::StatementInvalid (RuntimeError: ERROR C22P02 Minvalid input syntax for integer: "" Fnumutils.c L54 Rpg_atoi: SELECT * FROM enumerations WHERE (enumerations."id" =) LIMIT 1): /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/connection_adapters/abstract_adapter.rb:128:in `log' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/connection_adapters/postgresql_adapter.rb:152:in `execute' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/connection_adapters/postgresql_adapter.rb:433:in `select' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/connection_adapters/abstract/database_statements.rb:7:in `select_all' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:427:in `find_by_sql' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:997:in `find_every' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:991:in `find_initial' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:1204:in `send' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:1204:in `method_missing' /var/lib/gems/1.8/gems/activesupport-1.4.2/lib/active_support/deprecation.rb:44:in `silence' /var/lib/gems/1.8/gems/activerecord-1.15.3/lib/active_record/base.rb:1204:in `method_missing' /app/controllers/projects_controller.rb:343:in `bulk_edit_issues' /var/lib/gems/1.8/gems/actionpack-1.13.3/lib/action_controller/base.rb:1095:in `send'</p>
