API to archive/unarchive projects has been implemented for Redmine 5.0.0 ([#35420](#)). However, the current trunk still don't have API to close/reopen projects.

- Related to Feature #35507: API to close/reopen projects added

#8 - 2021-07-09 04:45 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Fixed

Redmine 5.0.0 will allow you to archive, unarchive, close, reopen projects via REST API ([#35420](#), [#35507](#)).
