Description new project link missing. i just created new account on redmine i click on project and i cannot see on upper right corner for any new project link. still finding . Don't no where to ack.			

History

#1 - 2013-04-11 21:36 - Jan Niggemann (redmine.org team member)

- Status changed from New to Closed

- Resolution set to Invalid

This is not a webservice, you need to install redmine on your own server.

#2 - 2013-04-11 21:46 - Anonymous

i don't want to host any code on redmin.

i just want to manage project n that's it.

demo is saying create new project and assign dev which is perfect.

#3 - 2013-04-11 21:47 - Anonymous

- Status changed from Closed to Reopened
