

## Redmine - Defect #13850

### Unable to set custom fields for versions using the REST API

2013-04-23 11:45 - Jürgen Diez

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Jean-Philippe Lang	<b>% Done:</b>	0%
<b>Category:</b>	REST API	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.3.2	<b>Affected version:</b>	2.2.0
<b>Resolution:</b>	Fixed		
<b>Description</b>			
<p>When using the REST API to update the versions (using the xml format), the custom fields are ignored if the syntax is used as described on <a href="http://www.redmine.org/projects/redmine/wiki/Rest_api">http://www.redmine.org/projects/redmine/wiki/Rest_api</a></p> <p>After modifying the app/model/version.rb similar to <a href="#">r9783</a> it worked. The solution is therefore pretty simple.</p> <p>I only checked to update the versions. Maybe this bug is also present for other models.</p>			

#### Associated revisions

##### Revision 11760 - 2013-05-01 17:57 - Jean-Philippe Lang

Fixed: Unable to set custom fields for versions using the REST API (#13850).

##### Revision 11837 - 2013-05-12 11:45 - Jean-Philippe Lang

Merged r11760 from trunk (#13850).

#### History

##### #1 - 2013-05-01 17:58 - Jean-Philippe Lang

- Subject changed from *Unable to set custom fields for versions using the REST API POST/PUT* to *Unable to set custom fields for versions using the REST API*
- Status changed from *New* to *Resolved*
- Assignee set to *Jean-Philippe Lang*
- Target version set to *2.3.2*
- Resolution set to *Fixed*

Fixed in [r11760](#) with a test, I've checked the other models.  
Thanks for pointing this out.

##### #2 - 2013-05-12 11:46 - Jean-Philippe Lang

- Status changed from *Resolved* to *Closed*

Merged.
