

Redmine - Defect #14051

Filtering issues with custom field in date format with NULL(empty) value

2013-05-14 19:02 - Alexander Molchanov

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Custom fields	Estimated time:	0.00 hour
Target version:	2.3.2	Affected version:	2.3.0
Resolution:	Fixed		
Description			
<p>I configured a new Issue Custom Field (with Date format) and I need to filter issues by this field where its value is overdue (less than today). I applied the filter type "more than days ago" with value "1 days" to this field and the query returned the overdue issues and issues with NULL value. I need only the first one, without the null values.</p> <p>Applying the same filter to a native date field (like due date) the result is exactly the expected (only the overdue issues were listed, without null values).</p> <p>Related topic on forum - http://www.redmine.org/boards/2/topics/32096?r=37846</p>			

Associated revisions

Revision 11850 - 2013-05-16 18:29 - Jean-Philippe Lang

Fixed that filtering may return unwanted blank values (#14051).

Revision 11872 - 2013-05-18 21:35 - Jean-Philippe Lang

Merged r11850 from trunk (#14051).
