- Status changed from New to Closed

- Resolution set to Invalid

Please read the available guides, use the search function and ask questions on the forums.

#3 - 2013-06-08 07:57 - anish shah

- Status changed from Closed to Reopened

i try to find on forum but in the example on forom the have made changes in source code but i want to generate new plugin without touching to original source code
