Target version:	2.6.0			
Resolution:			**Affected version:**	

Description

This patch wraps long issue fields in the issue pdf header. This works for all issue fields in the header (also for long custum fields).

Great, +1!

This looks like a simple and straight-forward solution for a really annoying problem, no way to introduce it for 2.4.0 release?
It would be really appreciated.

+1

Same problem for me too. The patch solves the problem nicely. Thanks.

#6 - 2014-10-18 13:05 - Toshi MARUYAMA

- Tracker changed from Patch to Defect

- Status changed from New to Closed

- Target version changed from Candidate for next major release to 2.6.0

Fixed by [#17570](#).
