| Category:   | Hook requests | Estimated time: | 0.00 hour |
| Target version:   |               |                 |           |
| <b>Description</b>  |               |                 |           |
| I have a plugin that decorates each associated revision with some extra data.                               |               |                 |           |
| To achieve that I had to add this hook in the _changesets.html.erb partial and I'd like to get it upstream, |               |                 |           |
| thanks  |               |                 |           |
| /Andreas  |               |                 |           |

History

#1 - 2014-03-22 20:23 - Andreas Öman

Hum, is this even considered? How to get patches considered?

#2 - 2014-04-20 00:22 - Toshi MARUYAMA

- Category changed from Issues to Plugin API

#3 - 2016-12-30 09:25 - Go MAEDA

- Category changed from Plugin API to Hook requests

#4 - 2021-07-04 07:32 - Go MAEDA

- Status changed from New to Closed

A hook view\_issues\_history\_changeset\_bottom has been added in Redmine 4.1.0 ([#3058](#)).
