Target version:		Affected version:	
Resolution:			
Description			
Jump to project dropdown list at top right corner of the main screen doesn't contain a list of all the projects present in the redmine.			
How come?			

History

#1 - 2007-11-19 17:32 - Jean-Philippe Lang

This is not a bug.
The 'quick jump' dropdown list only shows projects that the user belongs to (and their parent projects), not all projects.

#2 - 2007-11-20 03:35 - Derek Montgomery

Ok... maybe having the choice in user profile to list all projects or just own would be neat.
