I'm afraid that you should give more details, on which page do you encounter this issue? what action you are performing?

#3 - 2013-08-06 08:19 - Raghu GS

I am facing the issue in both issue creation page and issue edit page.
For all kind of ticket types.

#4 - 2013-08-07 13:49 - Raghu GS

All the issue status changes are correctly being displayed in Activity.

#5 - 2013-08-11 01:29 - Toshi MARUYAMA

- Category set to Issues

#6 - 2015-06-10 11:48 - Peter Niederlag

I had the same problem in a project where the backlogs plugin was activated. deactivating the backlogs plugin made the date fields work again.

#7 - 2017-06-04 06:02 - Go MAEDA

- Status changed from New to Closed
