

Redmine - Defect #14612

Open Issue by email. Attachments are missing

2013-08-04 13:44 - Alex Shemshurenko

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Attachments	Estimated time:	0.00 hour
Target version:		Affected version:	2.3.0
Resolution:	Invalid		
Description			
<p>Hi.</p> <p>Im using Redmine 2.3.0 server.</p> <p>Server configured to check for new emails on IMAP server (using chron service).</p> <p>When i try to open new issue by sending mail i cant see any mail attachments in newly opened issue.</p> <p>I send email to redmine.In mail i define project and tracker.</p> <p>Project: newproject</p> <p>Tracker: Bug</p> <p>I add text file as attachment to email.</p> <p>After some time i can see new issue opened in project "newproject" in tracker "Bug", but text file attachment is missing.</p> <p>Im sure its some kind of configuration error, but i dont know where to start looking for the porblem.</p>
