

Redmine - Feature #14790

Ability to save spent time query filters

2013-08-28 10:28 - Thomas Godard

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Time tracking	Estimated time:	0.00 hour
Target version:	3.4.0		
Resolution:	Fixed		
Description Now, it is possible to create a custom query in the issue tab. At the end of each month, I receive from the my developers' company the time they worked each month. I also need to have a second table for my accounting. Would it be possible to be able to save Custom queries Details tab. I asked the question on the forum (Wrong one I know :-)) without answer. Ability to save spent time query filters
