

## Redmine - Feature #14842

### Adding a date filter on issues' summary pages

2013-09-04 09:50 - Cliff Peng

<b>Status:</b> Closed	<b>Start date:</b>

<b>Resolution:</b> Duplicate	
<b>Description</b> On pages like <a href="http://www.redmine.org/projects/redmine/issues/report">http://www.redmine.org/projects/redmine/issues/report</a> , there are so many useful data of the issues. But according to our Redmine practice, we need generate the summary information filtered by date, such as Start Date, Due date and so on. So I suggest adding a filter feature to the summary page will help us for this aim greatly.
