Resolution:	Duplicate			

Description

I hope this is not an duplicate feature request.

I got an request/question if it is possible to show the '% Done' of the related issues in the overview. This would be helpful for the project manager to get a fast overview of which tasks that needs attention (show stoppers).

Any tips on implementing this in a plug-in is appreciated also ofc :)

See my 'ugly' image for a visual example.

Br,
Lennart
