Is your e-mail address still active ?

Redmine behavior doesn't change just like this ...

#2 - 2013-09-11 10:51 - Alaa Alomari

email is gmail account. and it is working fine. i just want to check the log. where can i find the log of emails that are supposed to be sent or mail error log for red mine

#3 - 2013-09-12 21:15 - Jan Niggemann (redmine.org team member)

- Status changed from *New* to *Closed*

- Resolution set to *Invalid*

Please discuss this on the forums, as Thomas Godard points out, Redmines behavior doesn't change just like this ...
