**Description**

Custom field is reloaded for each detail
even if cached by active record, we can avoid to reload them

**Associated revisions**

Revision 12217 - 2013-10-13 12:04 - Jean-Philippe Lang

Avoid lots of CustomField.find_by_id calls when displaying an issue history with custom fields (#15072).

**History**

1. **#1 - 2013-10-09 12:24 - Jérôme BATAILLE**
   - File RM_15072_optimization_not_reload_custom_field_V2.3.2.diff added

2. **#2 - 2013-10-13 12:05 - Jean-Philippe Lang**
   - Category changed from Issues to Code cleanup/refactoring
   - Status changed from New to Closed
   - Assignee set to Jean-Philippe Lang
   - Target version set to 2.4.0

   I've committed r12217 which avoids much more of these cache hits, thanks for pointing this out.

3. **#3 - 2013-10-13 20:20 - Jérôme BATAILLE**

   Sure your solution is more efficient.
   Thanks !

4. **#4 - 2017-03-31 13:59 - Jérôme BATAILLE**

   Hi, you can indicate in the Resolution that's it's **Fixed**, if you have the time to, thanks a lot.

5. **#5 - 2017-04-29 20:28 - Toshi MARUYAMA**
