Target version:			
Resolution:	Invalid		

Description
In the roles & permisson all monitoring items are marked. The user that has logged in has the coorect role. Stil the possibility to add watchers does not show?

History

#1 - 2013-10-17 08:28 - Egbert Koomen

When updating an issue I want to add extra watchers.

#2 - 2013-10-17 14:24 - Jan Niggemann (redmine.org team member)

- Status changed from New to Closed

- Resolution set to Invalid
