

Redmine - Defect #15211

Progress line is pulled back to past by finished tickets

2013-10-28 10:06 - Toru Haraguchi

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Gantt	Estimated time:	0.00 hour
Target version:		Affected version:	2.3.2
Resolution:	Invalid		
Description			
Regarding the progress line added by Feature #12122 , the line should be pulled back to past ONLY by delaying tickets. Currently all past tickets do so even though it is already finalized.			

History

#1 - 2013-10-31 04:55 - Mischa The Evil

- Status changed from New to Needs feedback

AFAICT closed issues aren't pulling back the progress line.
Please explain what you mean with finished/finalized/delaying issues (as in status being closed, -done 100, due date overdue, etc?).

#2 - 2013-10-31 12:29 - Toru Haraguchi

- File Original Gantt.png added

As Mischa pointed, original gantt chart does not have the problem I posted.
We are using an enhanced gantt chart for Redmine which purely inherit - according to them - the original progress line feature.
Please close this issue as an wrong recognition.

#3 - 2013-10-31 14:05 - Etienne Massip

- Status changed from Needs feedback to Closed
- Resolution set to Invalid
