

Redmine - Defect #15248

Ticket count in roadmap view wrong

2013-11-02 19:39 - Andreas Holle

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Roadmap	Estimated time: 0.00 hour
Target version:	Affected version: 2.3.3
Resolution: Wont fix	
Description	
The issue statistic on the homepage for the coming version 2.3.4 is not consistent. It counts 15 issues but the list has only 14. Seems like 1 open feature issue is missing. Searching the issue list does only show 1 closed feature issue for version 2.3.4.

History

#1 - 2013-11-02 23:51 - Jan Niggemann (redmine.org team member)

- Status changed from New to Closed
- Resolution set to Wont fix

One issue is marked as private, and because of that, is not shown in the roadmap. This is by design...

#2 - 2013-11-03 09:51 - Andreas Holle

Thank you, I guessed that there might be an easy answer.

#3 - 2013-11-04 20:45 - Mischa The Evil

- Duplicated by Defect #15258: Roadmap Issue Count off added

#4 - 2015-03-25 17:07 - Toshi MARUYAMA

- Related to Defect #19187: Roadmap links in subproject added

#5 - 2015-03-25 17:16 - Toshi MARUYAMA

- Duplicated by Defect #9411: Number of issues closed / open in Roadmap include private even on restricted accounts added
