Target version:			
Resolution:			

Description
Can you add privileges to every board? For example I hope some members cannot view some board.

History

#1 - 2013-04-09 23:08 - Filou Centrinov

Boards? You mean projects, issues or comments? All these things can be invisible to selected users with appropriate setting.
May you can give some feedback? Otherwith I think we can close this issue.

#2 - 2013-04-10 13:19 - Daniel Felix

No I think he really mean boards, for example: http://www.redmine.org/projects/redmine/boards
Currently I'm not aware that this is currently possible.
