

## Redmine - Defect #15344

### Default status always inserted to allowed statuses when changing status

2013-11-13 14:39 - eyal R

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Jean-Philippe Lang	<b>% Done:</b>	0%
<b>Category:</b>	Issues workflow	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.3.4	<b>Affected version:</b>	2.3.3
<b>Resolution:</b>	Fixed		
<b>Description</b>			
<p>In IssuesController , "build_new_issue_from_params" method is called when status is changed. (set in before_filter for update_form action)</p> <p>build_new_issue_from_params has the following line:</p> <pre>@allowed_statuses = @issue.new_statuses_allowed_to(User.current, true)</pre> <p>the second parameter , being always true , causes IssueStatus.default to be pushed to the allowed_statuses.</p> <p>I think this is a bug.</p>			

#### Associated revisions

##### Revision 12277 - 2013-11-15 20:59 - Jean-Philippe Lang

Fixed that update\_form always proposes the default status when updating an existing issue (#15344).

##### Revision 12279 - 2013-11-15 21:32 - Jean-Philippe Lang

Merged r12277 (#15344).

##### Revision 12280 - 2013-11-15 21:33 - Jean-Philippe Lang

Merged r12277 (#15344).

#### History

##### #1 - 2013-11-15 21:00 - Jean-Philippe Lang

- Category set to Issues workflow
- Status changed from New to Resolved
- Assignee set to Jean-Philippe Lang
- Target version set to 2.3.4
- Resolution set to Fixed

You're right, default status should be proposed for new issues only. It's fixed in r12277.

**#2 - 2013-11-15 21:32 - Jean-Philippe Lang**

*- Status changed from Resolved to Closed*

Merged.
