

Redmine - Defect #15435

Watcher is not Visible

2013-11-22 11:18 - zam kp

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	2.3.1
Resolution:	Duplicate		
Description Hi Team we have created a new redmine project for tracking developers activities,We need to ensure that an developers can view only those tasks created by him/ assigned to him / watched by him. For this, task visibility is set as "Owner or assigned". However, in this mode, tasks are not visible to watchers we add. How to make task visible to watchers? please help me Thanks

History

#1 - 2013-11-23 10:08 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Duplicate

This was already discussed, see [#10173](#).

#2 - 2013-11-23 10:08 - Jean-Philippe Lang

- Is duplicate of Defect #10173: Private bugs are not visible to watchers added

#3 - 2014-03-07 17:13 - Luis Serrano Aranda

+1 With redmine 2.5 I have the same problem, and the issue is not Private.

The step are create a issue add a watcher (include in the project member)
Logout and login watched user, go to the project and.... the issue is not showed
