

Redmine - Defect #15483

Error 500 on Issue Update (postgres)

2013-11-22 15:57 - M. Rohrmoser

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Database	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		

Description

Symptom:

Update a issue description with more then 255 chars causes a HTTP 500.

```
$ tail -f current/log/*
> current/log/production.log <
ActiveRecord::StatementInvalid (PG::StringDataRightTruncation: ERROR: value too long for type
character varying(255)
: INSERT INTO "journal_details" ("journal_id", "old_value", "prop_key", "property", "value") V
ALUES ($1, $2, $3, $4, $5) RETURNING "id"):
app/models/journal.rb:54:in `save'
app/models/issue.rb:1506:in `create_journal'
app/models/issue.rb:163:in `create_or_update'
app/controllers/issues_controller.rb:470:in `save_issue_with_child_records'
app/controllers/issues_controller.rb:458:in `save_issue_with_child_records'
app/controllers/issues_controller.rb:184:in `update'
```

Cause:

```
$ grep -A5 'create_table "journal_details"' db/schema.rb
create_table "journal_details", :force => true do |t|
  t.integer "journal_id", :default => 0, :null => false
  t.string "property", :limit => 30, :default => "", :null => false
  t.string "prop_key", :limit => 30, :default => "", :null => false
  t.string "old_value"
  t.string "value"
```

The last 2 need a larger datatype than the default `varchar(255)`.

```
$ psql --version
psql (PostgreSQL) 8.4.17

Related issues:

Related to Redmine - Defect #20831: journal_details table reverted value and ...

Closed**History****#1 - 2013-11-22 16:21 - M. Rohrmoser**

table issues has

```
t.text      "description"
```

so above value + old_value have to be text as well.

#2 - 2013-11-22 23:19 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Invalid

This column was changed to text long ago, see: [source/trunk/db/migrate/20110227125750_change_journal_details_values_to_text.rb](https://source.trunk/db/migrate/20110227125750_change_journal_details_values_to_text.rb)

#3 - 2013-11-24 16:54 - M. Rohrmoser

Sorry for reporting a duplicate - obviously there's been a hiccup during some past migrations.

Any hint how I can dump the DB + reload into a proper schema?

Thx,
M
